4.00pm, Wednesday 22 September 2021, via Zoom

1. Present:

IPWEA SA Board representative: Kathryn Johnson

Representatives –

Karen Thompson, Concrete Pipes Association of Australia

Alex Rajkovich, Humes SA

Sam Kenny, City of Salisbury

Ken Schalk, Tonkin

Matt Graham, District Council of Mount Barker

Sam Piotrowski, CAMCO

2. Apologies:

Murali KG, City of Charles Sturt

Peter Rowe, AR Contracting

Paul Adams, Concrete Pipes Association of Australia

3. Minutes of last meeting

Minutes of meeting of the last meeting held on 8 July 2021 presented and accepted by the group.

4. Discussion items:

a. Request for Quote

RFQ sent to consulting engineering companies who are members of IPWEA SA.

No submissions received. Only one response received from KBR to say not submitting.

ACTION: RFQ to be sent to selected companies from LGA prequel panel for professional services. RFQ to also be sent again to IPWEA SA member companies.

Possible alternative may be to consider whether the business section of universities have capacity or capability to carry out the investigations required.

ACTION: No action at this stage.

b. Collection of defect info

Further discussion regarding clarifying and classifying “defects” and relationship to manufacture, transport, installation, inspection and close out.

ACTION: Committee members to continue to collate examples of “defects” for input into consultant’s research in readiness for commencement of consultancy.

5. Other business

Nil

6. Next meeting

TBD following closing of next RFQ process.

7. Meeting close

The meeting closed at 4:35pms
