

The Tyranny of Distance

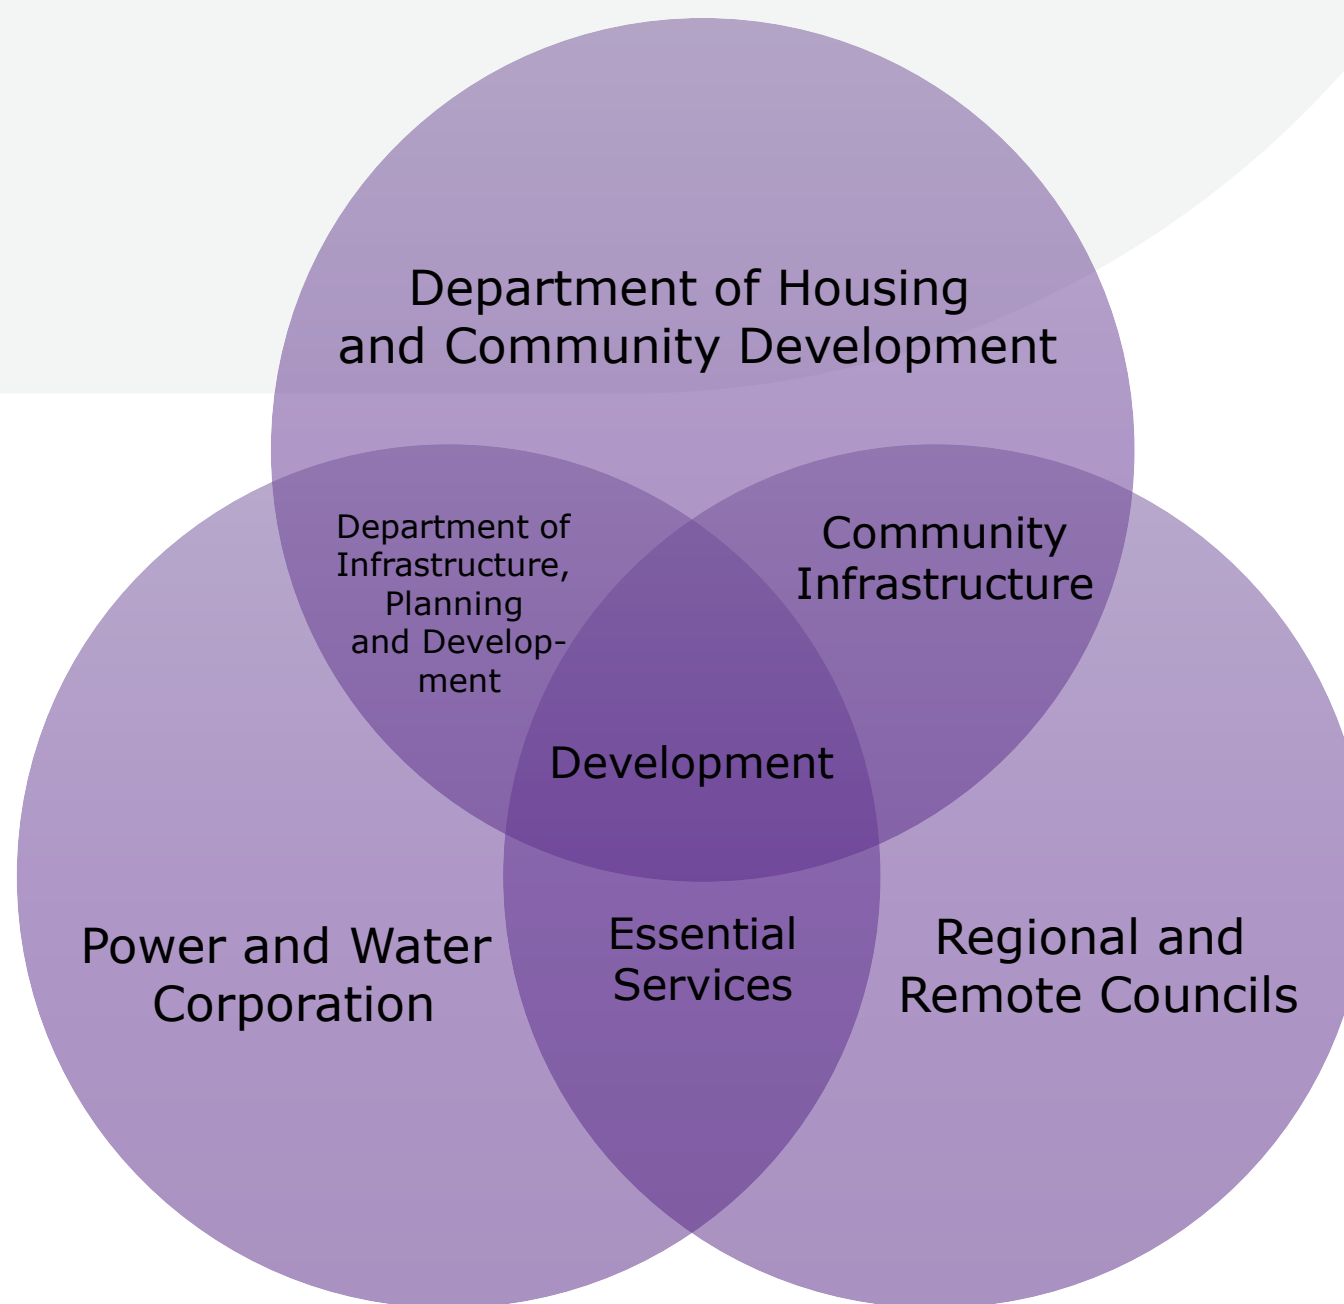

Challenges of Infrastructure Delivery in
Remote Indigenous Communities

Jo O'Brien
CPEng, NER, RPEQ

A photograph of a road sign in a dry, arid landscape. The sign is rectangular with rounded corners, white with a black border, and features the text 'WARNING NO FUEL FOR 420km' in bold black letters. It is supported by two metal poles. The ground is dry, dusty, and reddish-brown. In the background, there is a line of green trees under a clear blue sky.

**WARNING
NO FUEL
FOR 420km**

The Tiwi Islands

An aerial photograph of the TTWT College campus, which is nestled within a dense tropical forest. The campus features several buildings with white and grey roofs, a prominent red-roofed building in the center, and a blue-roofed structure. A large, circular green field, likely a sports field, is visible in the lower-left quadrant. Red dirt paths and roads wind through the campus, connecting the various buildings and the field. The surrounding forest is thick with green trees, and the overall scene is captured from a high-angle perspective.
