

IPWEA's Plant & Vehicle Management MANUAL

"The IPWEA Plant & Vehicle Management Manual will provide a long-needed reference to best practice for novice and practitioner alike. Its 'Systems Plus' subscription service will ensure continuing professional development and ongoing Manual updates."

Join IPWEA's Plant & Vehicle Management 'Systems Plus'!

Plant and vehicle management has long been a neglected area of asset management in local government and many other areas of public works.

The **Institute of Public Works Engineering Australia** (IPWEA) has recognised the need for a new resource to assist plant and vehicle managers in their role as true business managers, and now introduces:

A. 'Systems Plus' [Plant & Vehicle Management Manual & Subscription Service](#). (This form)

B. 'Systems Plus' [Training Workshops](#).

(See IPWEA's Fleet webpage for latest training and schedules)

'Systems Plus' Subscription Service: a total program. Order Form attached.

A total program is being launched with the new IPWEA Plant & Vehicle Management Manual as the cornerstone. This will be a 'live' document that will continue to develop over time.

The 'Systems Plus' subscription package is priced at \$750 plus GST. The **complete subscription package** is an essential companion to the Manual and includes:

- A hard copy of the IPWEA Plant & Vehicle Management Manual
- Quarterly Newsletters
- Ongoing updates for the Manual
- 20% off 'Systems Plus' training building on the content of the Manual
- 20% off User Forum attendance to promote networking and benchmarking
- Password access to the Uniqco International Vehicle Management '[Services Plus](#)' website
- *Annual membership after 1st year is only \$500 plus GST which entitles your organisation to ongoing quarterly newsletters, training discounts, password access to Services Plus website, manual updates*

The 20% training discount results in an immediate saving of \$180 per person when registering for training workshops - plus your subscription package entitles you to quarterly newsletters, manual updates and user access to the Uniqco International 'Services Plus' website! A separate registration fee applies to Training.

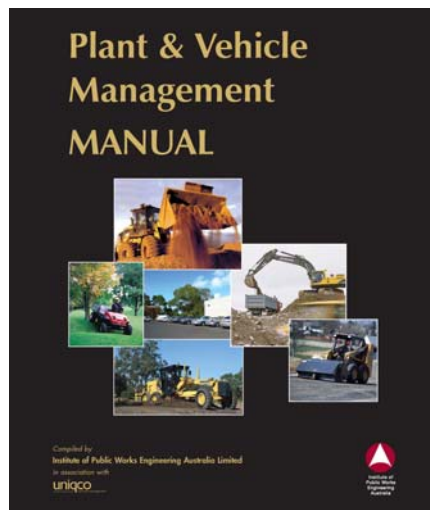

If you already have the Manual, you can upgrade to the Subscription Service for an annual membership fee of \$500 plus GST.

Note: Once an Organisation has taken out the 'Systems Plus' subscription package above, **all** members of that organisation benefit from the discounted training rates! This can quickly pay for your subscription!!!

YOU CAN ALSO REGISTER FOR TRAINING NOW...
