

Future of IPWEA Australasia

# Cathy Morcom

Chief Executive Officer

Institute of Public Works Engineering Australasia

# VISION

*What we believe in...*

To enhance the quality of life of our communities through public works and services

# MISSION

*What our goal is...*

To be the peak Australasian professional association that leads public works and services, infrastructure planning, delivery and operations.

# VALUES

*Our core values...*

# OBJECTIVES & ACCOUNTABILITY

*How we achieve this...*

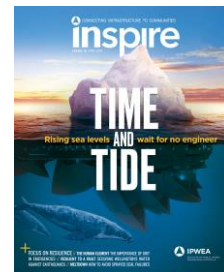

- Engage with and inspire members and the greater public works community
- Grow professional networks to inform, connect and transfer knowledge
- Engage with strategic partners and industry
- Provide leadership and advocacy to influence policy and industry direction
- Research, develop and deliver programs, products and services that build professional capacity
- Govern & operate effectively, efficiently and sustainably

DRIVING BETTER FLEET MANAGEMENT

**Ask Your Mates**  
**Community of 29,400**

**AYM**

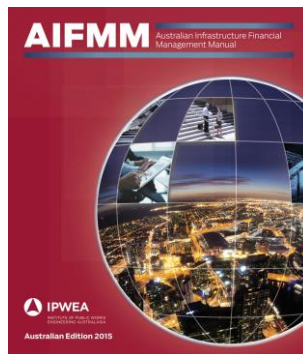

Did you know that IPWEA runs an industry peer-to-peer forum called Ask Your Mates (AYM)? It has more than 29,400 subscribers that allows industry practitioners to ask pressing questions of their colleagues and get real-time answers.

The online forum is a great way to share information and find out what your colleagues in the industry are doing.
